January 2023 Newsletter

MESSAGE FROM YOUR MAYOR

Hello Everyone,

I hope everyone had a great holiday season! If you were able to stay warm, you were ahead of most of the country. I bet Santa sure was cold.

As you can see, we have changed the layout of the newsletter. We hope it makes for better and more informed reading. Our main goal is to be better connected. We want to create the best community possible.

Thanks to everyone for a great 2022 Year. Let's work together and make 2023 the best year yet!!

January Events

TOWN HALL CLOSING

- January 2, 2023
- January 16, 2023

MEETINGS

On January 9, 2023, starting at 6:00p.m. You are invited to come and participate in what's happening in the Town of Cleveland. The meetings are at Cleveland Town Hall.

July 22, 2023 - The Ultimate Eagles Band - On the Border

August 26, 2023 - EnVision

September 23, 2023 - Dirty Grass Soul

Always original.

New Town Projects

Just so you know, here are some of the projects that the Town of Cleveland is working on.

- Lights for the new sidewalks
- Brevard Pump Station
- Water Tank Rehabilitation
- Wastewater Treatment Plant - Contact Basin
- Depot Street - Water, Sewer, & Storm water Improvements
- Wastewater Treatment Plant Expansion

For the Town Park, we are currently pricing new playground equipment and upgrading the fields. The walking track at the Town Park, will be completed; as soon as the weather permits.

"It's a good day to be in Cleveland, but a great day to be in West Rowan! Working together, we can plan and direct progress that benefits the whole West Rowan area!"
~Mayor Pat Phifer

DID YOU KNOW?

Being good stewards of our community, we need to preserve the quality of our water and sewer. In an effort to do this, we need your help. We ask that you dispense your unused/expired medications at the collection bin in our Town Hall.

Parks & Recreation

On December 16th, 2022, the restrooms at the Town Park were winterized for the season. They will re-open in Spring 2023.

F.O.G. - What is it?

F.O.G. stands for Fats, Oils, and Grease. It is very crucial as an active community member that you refrain from placing these items down your pipes or drains. As participating in not doing this, it will help sustain our water and sewer infrastructures to last longer. Thank you for your help in doing your part as community involvement with us!

GOING GREEN

We encourage you to participate in our recycling days, January 6th and 20th. Thank you for supporting the health of our community.
